High Grade Natural Tone Talking and Singing Machine

As a home entertainer it has no equal. The best talent in the country is brought right to your fire side to while away the long evenings with comical recitations and songs. An impromptu dance may be gotten up at a moment's notice and here you have the best orchestra of the country to play the dance music. Or you may wish to learn a song and what better instructor can you have than one of the Peerless singers to phrase a song over and over again if need be. The possibilities of this wonderful little machine for instruction and amusement are endless.

Description of Instrument

The Cabinet—Made of heavy, solid oak throughout. Corner posts are made with fluted mouldings.
Nickled Tone Arm—The latest triumph of scientific research, producing the largest volume and purest tone quality, eliminating the metallic scratch so common in the ordinary type of machine.
The Motor—Of special strength and construction, unusually durable.
Turn Table—Ten-inch diameter, accomodating any size disc record.
Standard Analyzing Reproducer (Sound Box)—insuring the most perfect reproduction of any known sound; fitted with automatic needle clamp, permitting of the instant releasing or fastening of the needles.
Speed Regulator—Permitting the ready adjustment of the speed to suit the individual fancy or requirements, such as for dance music or speaking records.
Flower Horn—Seventeen inches in length, with a fifteen inch flared bell. Finished in a beautiful, deep, rich red enamel, and decorated with gold stripes.
